Time extensions

We recommend Exhibitors and Stand-fitters to take notice of Article 1.10 and 9.4 from Fieramilano Technical Regulations Plan.

Any legitimate need for a limited extension of the times scheduled for set-up (**excluding the day before the event**) and take-down must be requested from Customer Service by filling out a special form.

The request must be made by 4 pm on the day the extension refers to and Customer Service will give confirmation of authorisation no later than 5.45 pm on the same day.

Upon the request, Customer Service will communicate the hourly flat rate fee to be paid to Fiera Milano to cover expenses.

On the day before the event:

- it is **forbidden** to carry out stand fitting operations not previously authorised by the Organiser in accordance with Fiera Milano;
- **extensions for set-up operations cannot be authorised** beyond the scheduled closing time.

Non authorised presence at the stand outside of permitted times. Fiera Milano (Customer Service also with the support of Security Service) applies a penalty of € 250 for each hour's presence at the stand or fraction thereof outside of the permitted times, notwithstanding compensation for greater damages.
