Ready to visit SIMEI?

Plan your visit on the Digital Platform

Your guide to the Digital Platform for **visitors**

enter your login credentials here

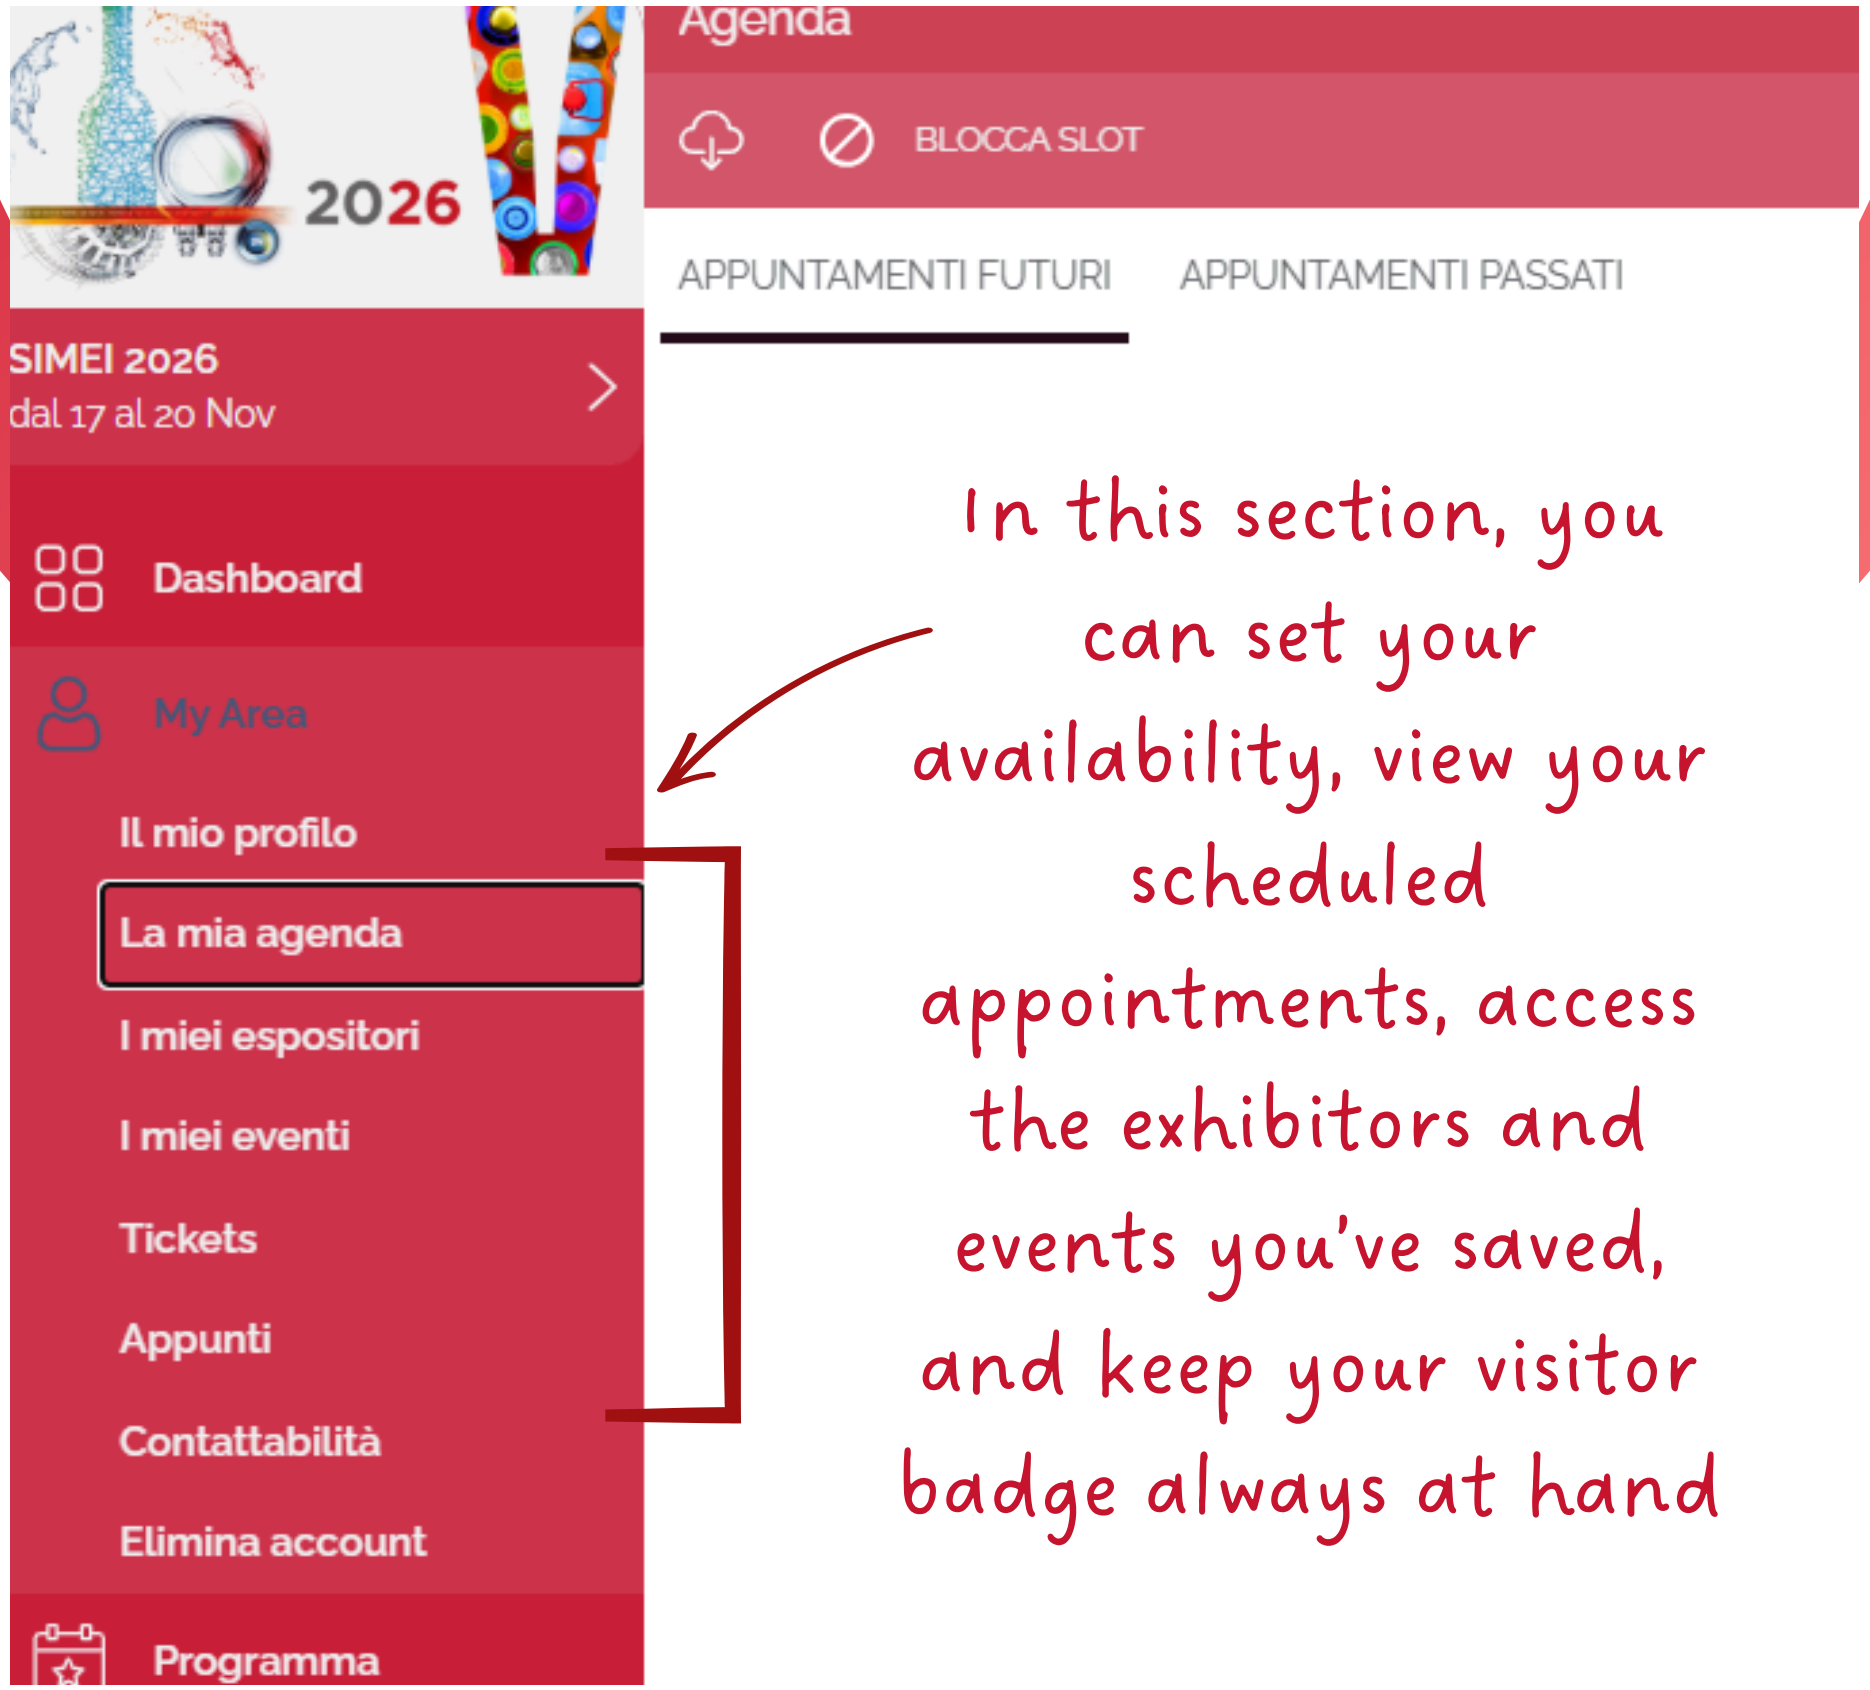

Click on "My Area" and select "My Profile" to access your personal page

Click on the pencil icons to edit your profile and add your photo and personal information

Complete your profile by selecting your professional sector, adding your social media profiles and writing a short description of yourself or the company you work for

Plan, discover, participate. Everything you need, always with you

here you can browse all exhibitors and click on any company to access its personalized profile

Within each profile, you can chat directly with the company or schedule an appointment

Where available, you can also find the company's sales representatives and book an appointment with them directly

here you can browse all scheduled events and filter them by date, pavilion, and area of interest

you can save the events you're interested in to your personal agenda, so they're always at hand. Remember to pre-register using the link in the event description

HAVE YOU PLANNED YOUR VISIT YET?

The Digital Platform helps you plan it
